# AG1- Social Dimension

- **First meeting**
  - Analysis of ToR
  - Understanding previous commitments and current state of play
  - Workshop on how to draft PAGs
    - Vision
    - SWOT analysis

# AG1- Social Dimension

- **After the first meeting in Zagreb, and before the second AG meeting: provided AG members with relevant documents:**
  - Minutes of the meetings
  - Relevant literature for the AG's work
  - Build on the work of previous WGs for the social dimension: consult their reports
  - Provide relevant data that should underpin the AG's work.
  - Define together headlines and priorities for PAGs (co-chairs asked members to send these in two weeks before the second meeting)
  - AG members provided briefs on agreed topics for the 2nd meeting of the AG

# AG1- Social Dimension

- **Briefings:**
  - Data collection methods used
  - BWSE
  - Key Documents and past commitments
  - Principles sent in by Members

# AG1- Social Dimension

- **At the second meeting (29 March 2019, Brussels)**
  - **Analysed the information and documents sent by the members: briefs, literature, headlines & principles**
  - **Decided on the structure and headlines for the PAGs (Workshops)**
    - **Two sets of PAGs**
      - **System level**
      - **HEI Level**
  - **Briefly discussed possible PLAs**
  - **Drafting committee composed that will deal with the drafting of the PAGs**
    - **Principles by the next meeting**

# AG1- Social Dimension

- **At the third meeting (5 June 2019, Vienna TBC) :**
  - **Further discussions on briefs & data collection**
  - **Analyse the first draft of the PAG**
  - **Start developing Guidelines**
  - **Over the summer period, the drafting committee will work more concisely to shorten all remarks and comments into the three-pager PAGs that we want to put forward (this will only be a draft)**
