

WG Fundamental Values

Tone-Flood Strom & Haj Mihai Cezar – Co-chairs

Status quo

- **Six meetings of the WG (Next meeting in June/July)**
- **Statements on fundamental values – first step towards monitoring**
 - Responsibility of and for Higher Education (FV WG Final proposal)
 - Student and staff participation in HE governance (FV WG Final proposal)
 - Institutional autonomy (FV WG Final proposal)
 - Academic integrity (advanced draft – towards finalising the proposal in June/July meeting)

Approach towards the proposed statements

- Approach similar to the Academic Freedom Statement;
- Driven by research and researchers (consultations and drafting);
- Several rounds of feedback from the Fundamental Values Working Group members.

Next steps

- Feedback from the BFUG on the proposed Fundamental Values statements;
- Finalising the statement proposal on Academic Integrity
- Work on the monitoring framework of the fundamental values

Next steps

- Support from the NewFAV project experts
 - Mapping of the existing indicators for monitoring Fundamental Values
 - Consultations with different stakeholders and experts on the possible use of existing indicators or development of new indicators
- Based on the draft statements – proposed framework to monitor fundamental values
 - The jure / the facto
 - Type of indicators
 - Dimensions of each FV

Challenges

- What to monitor exactly?
- How to monitor?
- Who will carry out the monitoring?
- EU – EHEA

Thank you!
