TPG LRC CoRE Project WG:
Digitalization of recognition tools

Digitalization of the diploma suplement

Introduction

Peer learning sessions

Mapping tools for digitalization of recognition

Thank you

Aleksandra Zhivkovikj
European Quality Assurance Register (EQAR), 01/2023

Co-funded by the European Union

EUROPEAN Higher Education Area

bologna process

Work group overview

Aim: Mapping of digital tools in the TPG B countries

Lead partner: EQAR

Members: CIMEA, Nuffic and Anthony Camilieri (expert)

3 meetings held so far

PLAs for TPG B members

Examples of digitalization in each of the 3 phases

Input Throughtput Output

Learned lessons, obstacles and challenges

Mapping of digital recognition tools and recommendations

* Synthesis of the reflections shared in the PLAs
* Blueprint on guiding principles for digitalization of the recognition workflows
    * Build on DigiReg project findings

Digitalization of a diploma supplement

* **Creating a work group of TPG B members** (a call to be launched today)
* Sharing opinions on the possibilities for standardizing the information presented in the DS and making the documents machine readable

Thank you
