- Assessing the implementation of the Bologna Process in Romania:
 - ❖ Bologna Black Book;
 - ❖ Bologna with student eyes at national level;
- Raising awareness and structured dialogue between stakeholders regarding Bologna Tools and their implementation:
 - ❖ Bologna in Universities (2014-2016), National Conference (2021)
- Promoting good practices among Romanian Higher Education community regarding the Bologna Process
 - ❖ Bologna Teachers Gala
- Advocacy for implementing Bologna tools and benchmarks in Romania

Bologna Teacher Gala

Bologna Teacher Gala

- Aimed at promoting Student-Centered Learning and good practices regarding Learning & Teaching since 2007
1. Phase 1: Any student in Romania can nominate a “teacher that inspires them” (irrespective of academic title);
 2. Phase 2: ANOSR organises training sessions for “Bologna Student Evaluators” (content about Bologna Process, student-centered learning, legislation, QA indicators, the profile of the desired teacher – explaining LO’s, engagement and interactivity in L&T methods, use of digital tools, structure of evaluation process and giving feedback etc + the way to deal with the assessment)
 3. Phase 3: Assessing the teacher by anonymously taking part in a class and having discussions with the teacher and his/her students afterwards
