4 / 4 / 2020

**Tone Strom Flood and David Crosier
WG1 Co Chairs**

Presentation overview

- 1) BPIR 2020: key features
- 2) Progress and next steps
- 3) Task Force on future reporting of fundamental values: state of play

2020 report as agreed in Vienna

- Consider long-term developments in EHEA: achievements and remaining challenges
- Focus on key topics
- Use existing data and minimise new data collection

Working Group 1-meeting, November 2018

- Discussed and agreed:
 - indicators
 - narrative texts on main trends
 - establishment of Task Force (sub group) on future monitoring of fundamental values

Current state of play

- On track:
 - Statistical contractors now working
 - Narrative texts – authors identified/informed
 - Qualitative data collection – about to begin (questionnaire next week)

Questionnaire to BFUG members

- **Much shorter** than for 2018 report:
- **23 questions/indicators**, including all scoreboard and key commitments indicators
- **Pre-filled** with 2018 report info
- Requirement to **explain changes**
- 4 indicators overlap with Mobility Scoreboard:
-> same information to be shown in Bologna and Mobility Scoreboard

Task Force on reporting values

- Paris Communiqué: Ministers strongly commit to promoting and protecting values
- Task Force /sub group of WG1 established to consider how
- Met 25 March: positive outcomes

Task Force on reporting values: outcomes

Tasks:

Values as stated in Paris Communiqué: academic freedom and integrity, institutional autonomy, participation of students and staff in higher education

- Agree **definitions**; develop indicators; agree on evidence base
- Monitoring needs to examine both de jure and de facto implementation
- Proposal to be developed initially for Helsinki BFUG after consultation with experts and institutions through "hearings" in Berlin and Bologna
