

A photograph of a workshop in a grand hall. People are seated at round tables covered with white cloths, listening to a speaker who is standing at the front of the room. The room has high ceilings, large windows, and a balcony with ornate railings. The text "Involvement of stakeholders in Denmark" is overlaid in white on the image.

Involvement of stakeholders in Denmark

The Danish Accreditation Institution
ESQA workshop
Ghent January 2020

Why stakeholder involvement?

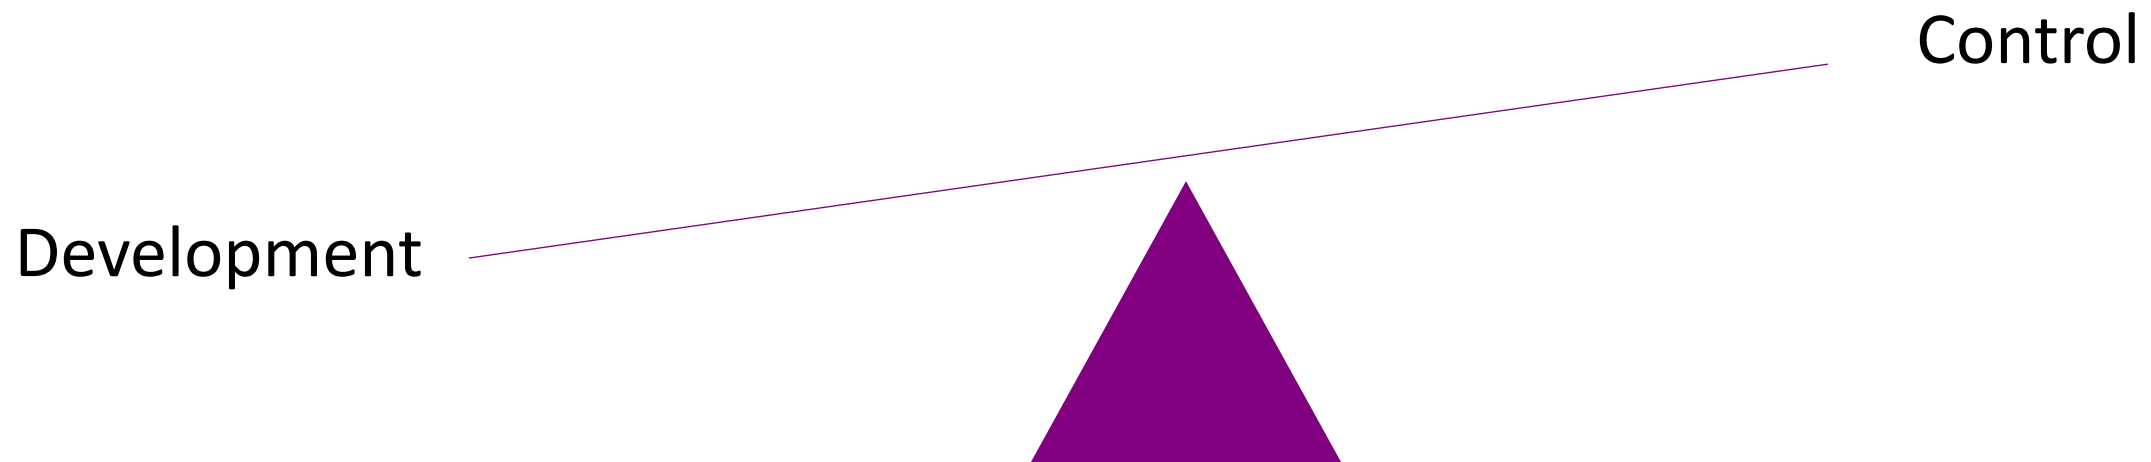

The Danish
Accreditation Institution

- ✓ Improving methodology and process
- ✓ De-bureaucratization
- ✓ Identifying blind spots
- ✓ Empowering stakeholders
- ✓ Legitimacy
- ✓ Transparency

The right balance

The Danish
Accreditation Institution

Recent initiatives

- Developing new guidelines for institutional accreditation with HEIs
- Coffee-meetings with labour market representatives on a new strategy for thematic analysis projects
- Establishing a network/discussion forum for organised student bodies on EQA issues
- Hosting a conference on student-centered learning

Moving forward – next steps

The Danish
Accreditation Institution
